

#### APPLICATION FOR THE 2026 CANADA'S TOP 100 EMPLOYERS PROJECT

#### Dear Employer:

Attached is the application to the Canada's Top 100 Employers (2026) project. Employers complete a single application to be considered for our national project, plus 19 well-known regional and special-interest competitions that we manage with a series of newspaper and magazine partners across the country.

Since the first edition of our paperback bestseller over 25 years ago, our project's aim has been to recognize the employers that stand apart from their peers in creating exceptional places to work. We do this by reviewing in detail your workplace programs and initiatives, looking for stories that show why your organization is among the nation's best.

We search for interesting employers, large and small, with innovative programs to attract and retain talented employees. Over the summer, our editorial team will review your application to compare your organization to similar employers in the same industry and region — a timetable follows on the next page.

Employers chosen as Canada's Top 100 Employers (2026) will be announced this fall in a special magazine published in The Globe and Mail. Starting in the fall, winners of our regional and special-interest competitions will also be announced in a series of magazines published with our media partners. For all the competitions, our editors' detailed 'reasons for selection' are published simultaneously on our job search engine, Eluta.ca, used by millions of jobseekers across Canada annually.

Publishing detailed reasons why each winner was selected has been a distinguishing feature of our competition since its inception. We take the time to do this so that other

employers can learn from the winners' best practices and, over time, improve upon them. By publishing written reasons, we also aim to provide job-seekers with a better understanding of what leading employers offer, while providing transparency in the selection process.

We encourage you to review this year's editorial reasons, accessible via the competition homepage. Keep in mind that no employer offers every perk and benefit we ask about in this application - our job is to seek out current bestpractices and, to do this, we ask a lot of questions.

We have also continued the application fee introduced in 2002 to offset the costs of managing the competition and review process, which is extensive. (A letter explaining the fee is available online.)

This will be our 26th edition of the Canada's Top 100 Employers project, which has become the nation's largest editorial competition of its kind. This year's application deadline is May 2, 2025. Applications must be submitted online - to request a secure upload link, contact our editors at ct100@mediacorp.ca

On behalf of our team of writers and editors, thank you for your interest in this year's Canada's Top 100 Employers project. We look forward to reviewing your application.

Yours very truly.

Anthony Meekan, Publisher anthony.meehan@mediacorp.ca

# SCHEDULE 4 CANADA'S TOP SMALL & MEDIUM EMPLOYERS (SME)

Canada's Top Small & Medium Employers (SME). Canada's SME sector is tremendously important and is responsible for: over half of the nation's gross domestic product; nearly 90% of the private-sector labour force; and over three-quarters of the new jobs created in the last decade. Published annually since 2014, Canada's Top Small & Medium Employers (SME) recognizes small and medium enterprises that lead the nation in creating exceptional workplaces and progressive human resources policies. Employers are evaluated using the same eight criteria as our national competition, but must meet the Statistics Canada definition of a "small or medium" enterprise. The winners are announced each spring in a special magazine published in The Globe and Mail and on Eluta.ca.

Your responses from the main part of this application will determine our editors' selections for *Canada's Top Small & Medium Employers (2026)*.

To be considered for this competition, confirm that your organization meets the StatsCan definition of a "SME" by answering three questions:
